# Message to Parents

We are excited for a new school year! As a faculty and staff, we are enthusiastic about our schedule and the benefits that it will bring to your child. As the school year progresses, please know that we have an open-door policy at KMS. The faculty and staff at Kanab Middle School have always regarded parental involvement as vital to student achievement. We encourage you to participate as school volunteers and to schedule conferences with teachers or the principal as needs arise.

We encourage you to serve on our School Community Council. Parents who serve on the council are elected by parents and serve two-year terms. Elections take place in August/September. Any parent who is interested in serving may declare him/herself to be a candidate and notify Mr. Bateman of their desire to serve.

We keep you informed of school events through the KMS school website at <https://kms.kanek12.org> and through Remind, our school notification system. We strongly encourage you to keep an active up-to-date phone number and email on file with the school as we use these as a means for regular communication. We will no longer distribute and mail home a monthly calendar. All calendars will be located as a link on the homepage of our school website. They can be printed as needed. All important information, school policies, and the monthly calendar can be found on our school or district webpage and can be made available in the school office upon request. Our school counselor meets individually with you and your child through the CCR process. We encourage you to interact with your child's teachers on a regular basis and to go "online" to monitor your child's performance at school (talk to the school secretary for an internet password).

As a school faculty, we have aligned our curriculum, instruction, and assessments to meet The Utah State Standards. We will communicate with you regularly regarding your child's performance at school. We will provide extended learning time to struggling students and provide accelerated, high quality curriculum that enables all students to achieve challenging standards. We will maintain a safe climate conducive to student learning. Finally, we will conduct ourselves in a professional and exemplary manner.

As you are a very important part of your child's learning, we encourage you to ensure your child attends school every day. We encourage you to monitor homework and grades regularly checking SIS/Aspire. Canvas is also a great tool to view assignments and content. Please see that your child gets proper nutrition and rest and encourage be in regular contact with teachers and administration to ensure your child's success.

If we work together, we will achieve fantastic results!

Sincerely,

Principal Bateman & Staff

School breakfast and lunch are available every day.

Parents: Please be proactive in keeping meal balances up to date. You will receive notice if your account becomes delinquent. You may now make lunch payments online on our school website.

Free and reduced applications are available online on the school website, in your SIS portal and in the school office. Students may bring a sack lunch. KMS is a closed

campus. Students are NOT allowed to leave for lunch unless a parent or guardian has signed them out. This should only be on an infrequent basis as attendance is important.

## Student Information System (SIS)/Canvas

We ask that all parents create an SIS login for their students. Parents are able to monitor student lunch account balances, apply for free/reduced lunch, monitor grades and access and manage important information like emergency contacts, and change of personal information. Canvas (digital platform) is a big part of secondary education. This can be accessed and viewed using an Observer Role. Please contact the front office if needing help getting the parent/guardian SIS or Canvas portal setup.

## Attendance

Parents, please notify the school secretary if your child is going to miss school by calling 644-5800 or sending an e-mail to our school secretary, Terri Glover, at [glovert@kane.k12.ut.us](mailto:glovert@kane.k12.ut.us). **Absences must be excused within 48 hours.**

**Excessive unexcused absences will result poor grades and a referral to the school district attendance committee for action. This could result in a court referral.**

Tardiness is handled by the classroom teacher. **Tardies will not be excused**, but students can make up tardiness with the classroom teacher. There is a 15-minute payback penalty after school for each class tardy. Tardiness results in poor citizenship grades and interferes with incentive activity participation. Please be on time. **If your child is more than 15 minutes late to class, he/she will be marked as absent for the class period. Again, tardies CANNOT be marked as excused.**

Students **will NOT** be allowed to leave campus during the school day unless they are signed-out in the office by a legal parent or guardian or listed emergency contact. Emergency contacts can be managed through SIS by the parent/guardian. **Signed notes and phone calls will not be used to allow students to leave.**

## Confidentiality

Legal names are used on all school records. Students are publicly recognized in the local newspaper by name for achievement, unless requested otherwise. Release of student information on the internet requires parental permission. FERPA rules and restrictions are also enforced.

## Visitors

**All** visitors are required to check in at the school office. Due to liability issues and the disruption of our school routine, student visitors are not allowed.

## Dress Code

A standard of dress contributes to improved school safety, school discipline, increased academic performance and more orderly behavior. Extreme dress or grooming which distracts from the educational process, disrupts school, or does not comply with acceptable community standards is not allowed.

1. Ear gauges and exaggerated body piercings are not permitted and must be removed during school hours. If in question, ask administration before any changes are made.
2. Hats are allowed throughout the school day unless a teacher asks for their removal within their classroom. Hats shall not obstruct the view of other students during class and comply with the standards outlined in points 5 and 6 below. Bandanas and beanies are prohibited during the school day. Hoodies are permitted, but the hood must be kept off while inside the building.
3. Shirts must cover the shoulder, under the arm, the cleavage/chest and the torso.
4. Pants cannot be sagged or worn below the tailbone. Shorts, skirts and dresses must be mid-thigh or longer (with clothing worn at the waist) and must cover the undergarments (no holes exposing undergarments or where undergarments should be).
5. Clothing relating to drugs, alcohol, tobacco, illegal activity, and/or obscenities is not allowed. Clothing that portrays disrespect toward any race, culture, religion, sexual orientation or gender is also not allowed.
6. Gang clothing is not allowed (colors, symbols, chains, names, etc.).
7. PE specific clothing is to be worn only during PE. It is expected students change into their regular school clothes before and after.
8. Safe and appropriate footwear must be worn at all times to ensure personal safety and good hygiene. No slippers, flip flops, or bare feet are allowed.

Students who violate these standards will be cited and asked to change or be sent home for the day. 3 citations = 1-day suspension.

## Medication/Health Plans

If your child requires prescription or over-the-counter medication during school hours, you must have a “Permission to Administer Medication Form” on file in the school office. It must be signed by both you and your doctor. Middle school students are not to carry or self-administer medication on school premises without this form. See District

Policy FDAC for more clarification. A health care plan is necessary ONLY if your child needs to be medicated while at school (including over-the-counter medications).

Children who may require emergency medications, including glucagon or epinephrine, will also need a health care plan. Please contact the school nurse if your child needs a health care plan or if you have any questions. School Nurse: Jamie Mackelprang

[jmackelprang@swuhealth.org](mailto:jmackelprang@swuhealth.org)

## **Transportation**

Parents can drop students off in the morning in the bus lane or outer drop-off area. Please move quickly so you do not block buses. After school, students must be picked up in the outer pick-up areas. Please do not use the bus lane at this time. Refer to traffic signs if you have a question. Students who walk to school should cross Hwy 89A at the marked crosswalk in front of the Kanab Fire Station. See Safe School's Map on our school website under the parent section. Students should always stay on sidewalks when crossing through church and school parking lots. Students should be alert and attentive when crossing parking lot entrances and exits. Students should not "hang out" at Kanab Middle or Kanab High School before or after school hours unless attending an event with parental permission.

## **Things to Avoid**

Avoid the following: violence of any kind, swearing, gossiping, making threats, passing notes or sending mean e-mails/texts, teasing, bullying, harassing others, being disrespectful to substitute teachers, touching in an unwanted manner, fighting or promoting fights, refusing to follow rules, being disrespectful to adults, etc. These behaviors always result in disciplinary action, including suspension when appropriate.

## **Behaving on the Bus**

Students must remain seated when riding on a school bus controlling hands, feet and mouth. Students should report any inappropriate conduct to chaperones or bus drivers. Students who are harassed by other students should report the misconduct to the bus driver. All garbage should be disposed of in containers on the bus. Students and parents are required to sign a form indicating their willingness to abide by and support all bus rules and guidelines on all trips. 1<sup>st</sup> Offense-Warning 2<sup>nd</sup>-Written Warning 3<sup>rd</sup>-3 days off bus 4<sup>th</sup>-10 days off bus 5<sup>th</sup>-loss of bus riding privileges for year. Consequences may be escalated higher than a warning depending on severity of offense.

## **Classroom Rules and Expectations**

Teachers will inform you about their classroom rules and expectations at the beginning of

the school year or term. They will also be posted in each room. Information about each of your classes on course disclosure statements can be found on CANVAS or will be sent home. This information includes classroom grading policy, course content, assignment due dates, testing and retesting policies, make up work allowances, behavior, and class rules and their consequences.

## **Valuables**

Please don't bring money or valuables to school. If you do, take them to the office for safekeeping. We cannot be responsible for lost or stolen money or items, but we will do everything we can to help you recover them. You can report substantial losses to the Kanab City Police.

## **Misbehaving in Class**

We expect students to behave in every class. Students may lose privileges of attending a class if they do things that interfere with the teacher or keep other students from learning. If a student misbehaves, the teacher will ask them to stop, giving them a warning.

If the misbehavior continues, the teacher will help the student find ways to learn to behave appropriately making other adjustments by possibly moving them to another class, etc. If the misbehavior still continues, the teacher will make parent contact. If none of these actions resolve the problem, the student will be sent to the principal.

The principal may suspend the student from school if the behavior is ongoing or serious in nature. The principal may also take away some of the student's school privileges. Parents please assist us with resolving misbehavior early as it takes away from learning and having fun.

## **Skateboards and Bicycles**

Skateboards and bikes can be used for transportation to and from school but cannot be ridden during the school day or anytime on school campus. Misused skateboards or bicycles will be confiscated and returned to a parent/guardian.

## **Nuisance Items**

Nuisance items may include, but are not limited to: bouncy balls, balloons, sunglasses, hats, laser pointers or anything that might cause a disruption. Nuisance items are confiscated, given to the principal, and only returned to a parent. **DO NOT** bring weapons, or items that resemble weapons to school, even toys. This can result in

immediate suspension and/or expulsion.

## **Bullying**

Students at KMS have the right to feel safe and happy at school. Instances of bullying are taken seriously and result in disciplinary action. Bullying is defined as inflicting physical and/or psychological distress on another student. Students are required to report incidences of bullying to any adult at school. Investigations of bullying incidences are directed by the principal in conjunction with the school counselor.

Bullying consists of taunting, teasing, name calling, spreading rumors, hitting, kicking, enlisting someone to assault someone for you, threatening or obscene gestures or language, excluding others from a group, manipulation of friendship, threatening e-mail, inappropriate virtual messages including texts and social networks, inappropriate actions involving race, gender or religion, etc.

Students who continually and/or intentionally bully after receiving a verbal or written warning will face disciplinary action in the form of suspension from school. Students will be reported to the police if the nature of the incident warrants it. Support programs are offered by the counselor.

A link to the full KSD Bully/Hazing policy can be found at the bottom of the front page of our school's website at <http://kms.kanek12.org>

## **Lockers**

All students are assigned a locker and issued a combination lock. These are property of KMS. Lockers and personal items can be inspected by the principal or designee at any time with probable cause. Students are expected to keep their lockers clean and free of permanent marks. We suggest that students keep lockers locked at all times to prevent theft and loss of personal items.

## **Assembly Rules and Guidelines**

School assemblies and activities are held to reward, educate, build school spirit, and have fun. All assemblies and activities must be appropriate for middle school-aged students. Advisor and principal approval are required. Remember:

- No profanity.
- No names, titles, or music that is inappropriate, profane, offensive, or sexually explicit.
- Nothing that demeans or devalues any individual or group.
- Nothing that causes damage to school or individual property.

# Electronic Devices and Cell Phones

The administration, faculty, School Community Council, and the students of Kanab Middle School support the use of technology in education. Electronic devices are an asset to the learning environment but if misused can be a distraction to the teaching and learning process.

- Electronic devices may be used before the first bell, after the last bell, and for educational purposes under the direction of the teacher.
- Devices must be turned off and kept out of sight at all other times during the school day.
- Devices with photo taking capabilities may not be used in locker rooms, restrooms or shower facilities.
- Earphones are available in the library for students to check out. Air pods should remain at home as they are valuable and can be a distraction to the learning environment. Only wired headphones are allowed at school.

Cell phone misuse will result in the following, unless other policies have been violated. If other policies have been violated, they are subject to applicable consequences.

- First offense-Device will be taken to the front office for the remainder of the day and may be picked up when a student is ready to leave school and parent/guardian will be notified.
- Second offense-Device will be taken to the front office and held for 5 days. If the 5 days fall on a weekend and parent requests to have the students phone for the weekend, a legal parent or guardian must retrieve the cell phone or device from the school office by the end of school Friday. The student will need to return phone when school resumes for the duration of the confiscation period. If the student does not surrender the phone upon return, the student will be suspended until device is surrendered.
- Third offense-Device will be taken to the front office and a meeting will be set up and may result in the device being left in the front office daily or left at home. The device will be confiscated for 5 days and follow the same confiscation rules as the second offense.

Misused electronic devices must be surrendered to school staff upon request. A student is suspended from attending school until the device is surrendered.

A phone is available in the office for student use during academic time for emergency purposes, but requires permission from the classroom teacher (during class) and office secretary (during breaks). Parents should continue to call the school for any emergency situation.

**PARENTS: PLEASE support us in this policy. Please do not call or text your child's**

cell phone during the school day. We are happy to relay any messages to students immediately upon your request to the front office.

Kanab Middle School does not assume responsibility for theft, loss, or damage of a cell phone or electronic device. The school reserves the right to define the educational value of any new electronic wireless communication device that may become available to the general public in the future and to prohibit its use if it has little or no educational value or if such use creates teacher or learner distraction or disruption.

Any suspension of a student with a disability for more than 10 days constitutes a change in placement and requires action by the Special Education Committee. If the suspension involves a student who brought a real, look-alike, or pretend firearm, explosive or flammable material, the student will be referred to the superintendent and Board of Education for a possible expulsion of up to one year. The principal shall immediately provide notice to the student's parent or guardian regarding any violation of the Safe School Policy.

## **Sexual Harassment Policy**

This is a summary. The complete policy is available in the school office.

The district and school encourage all victims and persons with knowledge of sexual

harassment to report the harassment immediately. All complainants have the right to be free from retaliation of any kind. The school and district will promptly investigate all formal, informal, verbal and written complaints of sexual harassment and take prompt corrective action to end the harassment.

Sexual harassment means unwelcome sexual advances, requests for sexual favors, other physical or verbal conduct or communications of a sexual nature, and any other gender based harassment, whether initiated by students, school employees or visitors. Students are encouraged to tell the harasser to stop the conduct because it is unwelcome.

The principal will conduct a review when she receives a verbal or written complaint of sexual harassment or if she observes sexual harassment. Any individual who violates this policy will be subject to appropriate disciplinary action under applicable school discipline policies and the Kane District Safe School Policy. An individual who violates this policy may be subject to suspension, exclusion, probation, termination, or alternative placement. In addition, students who violate this policy may lose the privilege of participating in extra-curricular activities. Anything involving sexual assault, rape, or any other activity of a criminal nature will be reported to appropriate law enforcement authorities.

Students served under IDEA, Section 504, of the Americans with Disabilities Act shall have no disciplinary action, change of placement, or other steps taken without convening a multi-disciplinary team to determine the extent to which the harassing behavior is a manifestation of the student's disability.

False, malicious or frivolous complaints of sexual harassment shall result in corrective or disciplinary action taken against the complainant.

## **Discrimination**

No person in the United States shall, on the grounds of race, color, national origin, disability, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. Kane School District is committed to ensuring that those students are identified, located, and evaluated, regardless of the severity of the disability, to identify if the student is in need of special education and related services. This child find requirement and practice also applies to those students enrolled in private schools.

If you suspect that a child who is not receiving special education services is in need of an evaluation to determine if that need exists, please contact April Riddle, Kane District Federal Programs Director at 435-644-2555 or the special education teacher at your neighborhood school.

Periodic drills take place at school to prepare students and staff for emergency situations.

---

We encourage our students and staff to report unusual behavior. This may include threats, discussions of weapons, talk of suicide, drug or alcohol use, or explosive materials. Strict confidentiality in reporting is enforced.

---

In all emergency situations, school staff is trained to determine the best course of action for the protection of students. Not all emergency situations allow us to follow a specific set of steps, but rather force us to use intuition and follow instincts based on safety training.

---

There are concealed weapons permit carriers on staff at Kanab Middle School.

---

Kanab Middle School staff will adhere to all district policies and district level safety and emergency preparedness plans.

---

Fire/Evacuation Drills are the most common. When the fire alarm sounds, students should exit the building according to the classroom evacuation plan. If a student is in the restroom, he/she should exit the building through the nearest exit and report to the nearest teacher.

---

Lockdown Drills are issued when students must be secured in their location. A “Lockdown! Locks, Lights, Out of Sight” intercom alert is issued. Teachers lock their classroom doors and secure their students until an “All Clear” is issued. If a student is in the restroom during a Lockdown Drill, he/she should remain in the restroom until the all clear signal is given or until directed by school or police personnel.

---

In an Earthquake Drill, students should quickly move to a place that offers protection for their head and as much of their body as possible. There is a danger of heavy objects falling in the classroom, so students should be observant and move away from dangerous spots.

There is a danger of power lines breaking and dropping on students who are outside. Faculty members and students should take precautions to stay away from falling objects. School officials will coordinate efforts and departure procedures with district and community emergency agencies and directors.

Dear KMS Parents/Guardians:

Should an emergency or disaster situation ever arise in our area while school is in session, we want you to be aware that the schools have made preparations to respond effectively to such situations. In fact, public schools in Utah are built to meet stringent construction standards and they may be safer than your own home in the event of a disaster.

Should we have a major disaster during school hours, your student will be cared for at our school. The Kane School District has a detailed disaster plan that has been formulated to respond to a major catastrophe. Your cooperation is necessary in any emergency. In the event of a serious emergency, students will be kept at school until parents are notified of pick up procedures. Students will be released only to parents and persons identified on the school enrollment card.

Please DO NOT telephone the school. Telephone lines will be needed for emergency communications. You will receive notification through Blackboard. This Internet based system will send emergency notification to every parent/guardian within minutes. Messages will be sent by telephone, cell phone, e-mail, pager and PDA in any combination. This is why it is very important that you make sure contact information is up-to-date on registration day and that you inform the secretaries any time there is a change. Thanks for helping us in this effort.

Sincerely,

# Equal Educational Opportunities

# KMS Positive Behavior Plan

## ***Focus***

In order to address future student use of tobacco, alcohol, electronic cigarette products, and other controlled substances, Kanab Middle School will address peer pressure, mental health, and meaningful relationships. KMS will accomplish this by placing focus on and implementing positive behavioral interventions and supports, restorative practices, trauma-sensitive practices, and social-emotional learning.

## ***Data/Input used***

- KMS Community Council
- SIS Discipline Data
- SIS Attendance Data
- Stakeholder Input survey-input from parents, students, staff, and students
- School Rewards reports

Positive Praise	Students receive positive statements from all staff members for making good choices and following rules.
Notes and Phone Calls	Occasionally, teachers will write or call parents with positive news about their child.
School Rewards/Store	Teachers and staff can award points to students who follow the rules, being academically successful, good behavior, and/or who are going out of their way to help. Students who receive points are able to spend their points on an item in our school store.
Awards Assemblies	Two top performing students from each class are recognized throughout the year at the end of the term in an assembly in front of the whole school.
Class Rewards	Students can earn special rewards and privileges in their classroom for following the rules.
Makeup/Free Period	Occasionally, we hold a makeup/free time period where students who have C's or above in all classes attend a fun activity. Students who are below a C in any of their classes attend makeup time during this time and receive remediation to get caught up.
Honor Roll	Students who make the Honor Roll are posted in the local newspaper to celebrate their achievement.
End of Year Celebration	At the end of the year, the school celebrates their successes with an activity. This can be done through class parties or school wide celebration activities.

Clearing the Vapor	All 8 <sup>th</sup> grade students take this online course provided by the Southwest Health Dept. in Health class. This course explores vape research, how vape companies target teens, and tools to prevent teen use.
School Counseling	We have a school counselor who provides services to our students. Some are referred to a contracted serviced therapy provider if needed.
Red Ribbon Week	Student Council oversees Red Ribbon Week at KMS by providing awareness to students.
Digital Citizenship	Occasionally, teachers provide digital citizenship lessons to students to help them be better citizens online. This assists with meaningful relationships and good mental health.
