Message to Parents

We are excited for a new school year! As a faculty and staff, we are enthusiastic about our schedule and the benefits that it will bring to your child. As the school year progresses, please know that we have an open-door policy at KMS. The faculty and staff at Kanab Middle School have always regarded parental involvement as vital to student achievement. We encourage you to participate as school volunteers and to schedule conferences with teachers or the principal as needs arise.

We encourage you to serve on our School Community Council. Parents who serve on the council are elected by parents and serve two-year terms. Elections take place in August. Any parent who is interested in serving may declare him/herself to be a candidate and notify Mr. Bateman of their desire to serve.

We keep you informed of school events through the KMS school website at <https://kms.kanek12.org> and through Blackboard, our school notification system. We strongly encourage you to keep an active up-to-date phone number and email on file with the school as we use these as a means for regular communication. We will no longer distribute and mail home a monthly calendar. All calendars will be located as a link on the homepage of our school website or on the Binderly app. They can be printed as needed. All important information, school policies, and the monthly calendar can be found on our school or district webpage and can be made available in the school office upon request. Our school counselor meets individually with you and your child through the CCR process. We encourage you to interact with your child's teachers on a regular basis and to go "online" to monitor your child's performance at school (talk to the school secretary for an internet password).

As a school faculty, we have aligned our curriculum, instruction, and assessments to meet The Utah State Standards. We will communicate with you regularly regarding your child's performance at school. We will provide extended learning time to struggling students and provide accelerated, high-quality curriculum that enables all students to achieve challenging standards. We will maintain a safe climate conducive to student learning. Finally, we will conduct ourselves in a professional and exemplary manner.

As you are a very important part of your child's learning, we encourage you to ensure your child attends school every day. We encourage you to monitor homework and grades regularly checking SIS/Aspire. Canvas is also a great tool to view assignments and content. Please see that your child gets proper nutrition and rest and encourage be in regular contact with teachers and administration to ensure your child's success.

If we work together, we will achieve fantastic results!

Sincerely,

Principal Bateman & Staff

Food Service

School breakfast and lunch are available every day.

Parents: Please be proactive in keeping meal balances up to date. You will receive notice if your account becomes delinquent. You may now make lunch payments online on our school website.

Free and reduced applications are available online on the school website, in your SIS portal and in the school office. Students may bring a sack lunch. KMS is a closed campus. Students are NOT allowed to leave for lunch unless a parent or guardian has signed them out. This should only be on an infrequent basis as attendance is important.

Student Information System (SIS)/Canvas

We ask that all parents create an SIS login for their students. Parents are able to monitor student lunch account balances, apply for free/reduced lunch, monitor grades and access and manage important information like emergency contacts, and change of personal information. Canvas (digital platform) is a big part of secondary education. This can be accessed and viewed using an Observer Role. Please contact the front office if needing help getting the parent/guardian SIS or Canvas portal setup.

Attendance

Parents, please notify the school secretary if your child is going to miss school by calling 644-5800 or sending an e-mail to our school secretary, Kim Blake, at blakek@kane.k12.ut.us **Absences must be excused within 48 hours.**

Excessive unexcused absences will result poor grades and a referral to the school district attendance committee for action. This could result in a court referral.

Tardiness is handled by the classroom teacher. **Tardies will not be excused**, but students can make up tardiness with the classroom teacher. There is a 15-minute payback penalty after school for each class tardy. Tardiness results in poor citizenship grades and interferes with incentive activity participation. Please be on time. **If your child is more than 15 minutes late to class, he/she will be marked as absent for the class period.** Again, tardies CANNOT be marked as excused.

Students **will NOT** be allowed to leave campus during the school day unless they are signed-out in the office by a legal parent or guardian or listed emergency contact. High School students are not allowed to pick up their siblings. Emergency contacts can be managed through SIS by the parent/guardian. **Signed notes and phone calls will not be used to allow students to leave.**

Confidentiality

Legal names are used on all school records. Students are publicly recognized in the local newspaper by name for achievement, unless requested otherwise. Release of student information on the internet requires parental permission. FERPA rules and restrictions are also enforced.

Visitors

All visitors are required to check in at the school office. Due to liability issues and the disruption of our school routine, student visitors are not allowed.

Dress Code

A standard of dress contributes to improved school safety, school discipline, increased academic performance and more orderly behavior. Extreme dress or grooming which distracts from the educational process, disrupts school, or does not comply with acceptable community standards is not allowed.

1. Ear gauges and exaggerated body piercings are not permitted and must be removed during school hours. If in question, ask administration before any changes are made.
2. Hats are allowed throughout the school day unless a teacher asks for their removal within their classroom. Hats shall not obstruct the view of other students during class and comply with the standards outlined in points 5 and 6 below. Bandanas and beanies are prohibited during the school day. Hoodies are permitted, but the hood must be kept off while inside the building.
3. Clothing must cover the entire torso, including the stomach, midriff, shoulders, cleavage, lower chest area, back, and buttocks. Prohibited items include tank tops, halter tops, tops with spaghetti straps, strapless tops, and backless tops. Shorts, including spandex shorts, must be midthigh.
4. Pants cannot be sagged or worn below the tailbone. Shorts, skirts and dresses must cover the undergarments (no holes exposing undergarments or where private areas are).
5. Clothing relating to drugs, alcohol, tobacco, illegal activity, and/or obscenities is not allowed. Clothing that portrays disrespect toward any race, culture, religion, sexual orientation or gender is also not allowed.
6. Gang clothing is not allowed (colors, symbols, chains, names, etc.).
7. PE specific clothing is to be worn only during PE. It is expected students change into their regular school clothes before and after.
8. Safe and appropriate footwear must be worn at all times to ensure personal safety and good hygiene. No stockings or bare feet allowed.

Students who violate these standards will be cited and asked to change or be sent home for the day. 3 citations = 1-day suspension.

Medication/Health Plans

If your child requires prescription or over-the-counter medication during school hours, you must have a “Permission to Administer Medication Form” on file in the school office. It

must be signed by both you and your doctor. Middle school students are not to carry or self-administer medication on school premises without this form. See District Policy FDAC for more clarification. A health care plan is necessary ONLY if your child needs to be medicated while at school (including over-the-counter medications).

Children who may require emergency medications, including glucagon or epinephrine, will also need a health care plan. Please contact the school nurse if your child needs a health care plan or if you have any questions. School Nurse: Whitney McGuire mcguirew@kane.k12.ut.us

Transportation

Parents can drop students off in the morning in the bus lane or outer drop-off area. Please move quickly so you do not block buses. After school, students must be picked up in the outer pick-up areas. Please do not use the bus lane at this time. Refer to traffic signs if you have a question. Students who walk to school should cross Hwy 89A at the marked crosswalk in front of the Kanab Fire Station. See Safe School's Map on our school website under the parent section. Students should always stay on sidewalks when crossing through church and school parking lots. Students should be alert and attentive when crossing parking lot entrances and exits. Students should not "hang out" at Kanab Middle or Kanab High School before or after school hours unless attending an event with parental permission.

Things to Avoid

Avoid the following: violence of any kind, swearing, gossiping, making threats, passing notes or sending mean e-mails/texts, teasing, bullying, harassing others, being disrespectful to substitute teachers, touching in an unwanted manner, fighting or promoting fights, refusing to follow rules, being disrespectful to adults, etc. These behaviors always result in disciplinary action, including suspension when appropriate.

Behaving on the Bus

Students must remain seated when riding on a school bus controlling hands, feet and mouth. Students should report any inappropriate conduct to chaperones or bus drivers. Students who are harassed by other students should report the misconduct to the bus driver. All garbage should be disposed of in containers on the bus. Students and parents are required to sign a form indicating their willingness to abide by and support all bus rules and guidelines on all trips. 1st Offense-Warning 2nd-Written Warning 3rd-3 days off bus 4th-10 days off bus 5th-loss of bus riding privileges for year. Consequences may be escalated higher than a warning depending on severity of offense.

Classroom Rules and Expectations

Teachers will inform you about their classroom rules and expectations at the beginning of the

school year or term. They will also be posted in each room. Information about each of your classes on course disclosure statements can be found on CANVAS or will be sent home. This information includes classroom grading policy, course content, assignment due dates, testing and retesting policies, make up work allowances, behavior, and class rules and their consequences.

Valuables

Please don't bring money or valuables to school. If you do, take them to the office for safekeeping. We cannot be responsible for lost or stolen money or items, but we will do everything we can to help you recover them. You can report substantial losses to the Kanab City Police.

Misbehaving in Class

We expect students to behave in every class. Students may lose privileges of attending a class if they do things that interfere with the teacher or keep other students from learning. If a student misbehaves, the teacher will ask them to stop, giving them a warning.

If the misbehavior continues, the teacher will help the student find ways to learn to behave appropriately making other adjustments by possibly moving them to another class, etc. If the misbehavior still continues, the teacher will make parent contact. If none of these actions resolve the problem, the student will be sent to the principal.

The principal may suspend the student from school if the behavior is ongoing or serious in nature. The principal may also take away some of the student's school privileges. Parents please assist us with resolving misbehavior early as it takes away from learning and having fun.

Skateboards, Bicycles, or ATVs

Skateboards and bikes can be used for transportation to and from school but cannot be ridden during the school day or anytime on school campus. Misused skateboards or bicycles will be confiscated and returned to a parent/guardian. ATVs, dirt bikes, UTVs may not driven on school grounds or be parked on school property during school hours.

Nuisance Items

Nuisance items may include, but are not limited to: bouncy balls, balloons, sunglasses, hats, laser pointers or anything that might cause a disruption. Nuisance items are confiscated, given to the principal, and only returned to a parent. DO NOT bring weapons, or items that resemble weapons to school, even toys. This can result in immediate suspension and/or

expulsion.

Bullying

Students at KMS have the right to feel safe and happy at school. Instances of bullying are taken seriously and result in disciplinary action. Student bullying" means one or more students, with the intent to cause harm, repeatedly committing a written, verbal, or physical act against another student, or engaging in a single egregious act toward another student involving an imbalance of power, that: (i)creates an environment that a reasonable person would find hostile; and (ii)interferes with a student's educational performance, opportunities, or benefits. (b)"Student bullying" does not mean instances of: (i)ordinary teasing, horseplay, argument, or peer conflict; (ii)reasonable correction of behavior by a school employee; or (iii)reasonable coaching strategies and techniques by a school employee who is a coach. Students are required to report incidences of bullying to any adult at school. Investigations of bullying incidences are directed by the principal in conjunction with the school counselor.

Students who continually and/or intentionally bully after receiving a verbal or written warning will face disciplinary action in the form of suspension from school. Students will be reported to the police if the nature of the incident warrants it. Support programs are offered by the counselor.

A link to the full KSD Bully/Hazing policy can be found on our district's website at <https://kanek12.org/wp-content/uploads/2024/10/FGAD-Student-Rights-and-Responsibilities-Bullying.pdf>

Lockers

All students are assigned a locker and issued a combination lock. These are property of KMS. Lockers and personal items can be inspected by the principal or designee at any time with probable cause. Students are expected to keep their lockers clean and free of permanent marks. We suggest that students keep lockers locked at all times to prevent theft and loss of personal items.

Assembly Rules and Guidelines

School assemblies and activities are held to reward, educate, build school spirit, and have fun. All assemblies and activities must be appropriate for middle school-aged students. Advisor and principal approval are required. Remember:

- No profanity.
- No names, titles, or music that is inappropriate, profane, offensive, or sexually explicit.

- Nothing that demeans or devalues any individual or group.
- Nothing that causes damage to school or individual property.

Electronic Devices and Cell Phones

The administration, faculty, School Community Council, and the students of Kanab Middle School support the use of technology in education. Electronic devices are an asset to the learning environment but if misused can be a distraction to the teaching and learning process.

- Electronic devices may be used before the first bell, after the last bell, and for educational purposes under the direction of the teacher.
- Devices must be turned off and kept out of sight at all other times during the school day.
- Devices with photo taking capabilities may not be used in locker rooms, restrooms or shower facilities.
- Earphones are available in the library for students to check out. Air pods should remain at home as they are valuable and can be a distraction to the learning environment. Only wired headphones are allowed at school.
- AI-smart glasses are not allowed at school anytime.

Cell phone misuse will result in the following, unless other policies have been violated. If other policies have been violated, they are subject to applicable consequences.

- First offense-Device will be taken to the front office for the remainder of the day and may be picked up when a student is ready to leave school and parent/guardian will be notified.
- Second offense-Device will be taken to the front office and a parent is required to retrieve the phone from the front office.
- Third offense-Device will be taken to the front office and a meeting will be set up and may result in the device being left in the front office daily or left at home.

Misused electronic devices must be surrendered to school staff upon request. A student is suspended from attending school until the device is surrendered.

A phone is available in the office for student use during academic time for emergency purposes, but requires permission from the classroom teacher (during class) and office secretary (during breaks). Parents should continue to call the school for any emergency situation.

PARENTS: PLEASE support us in this policy. Please do not call or text your child's cell phone during the school day. We are happy to relay any messages to students immediately upon your request to the front office.

Kanab Middle School does not assume responsibility for theft, loss, or damage of a cell

phone or electronic device. The school reserves the right to define the educational value of any new electronic wireless communication device that may become available to the general public in the future and to prohibit its use if it has little or no educational value or if such use creates teacher or learner distraction or disruption.

Bathrooms

Boys are not to be in girl's facilities and girls are not to be in boy's facilities. The term "boys" and "girls" are defined as the biological sex.

PDA-Public Display of Affection

Public Displays of Affection (PDA) are generally prohibited on school grounds, except for hand holding, which is acceptable. Prohibited behaviors include kissing, hugging, sitting on each other's laps, and any other forms of intimate physical contact. Staff and faculty will enforce this policy, and violations may result in disciplinary actions. This policy helps maintain a respectful and focused educational environment.

Safe School Policy

This is a summary. A complete copy is available in the school office.

A student may be suspended from school for any of the following conduct in a school building, on school property, or at any school sponsored activity, or when it occurs in the presence of or is directed at or against another student or a district employee:

- Willful disobedience or defiance of authority.
- Willful destruction or defacing of school property.
- Behavior which poses an immediate threat to the welfare, safety or morals of other students or school personnel.
- Behavior which interferes with the educational process.
- Possession, use, or being under the influence of an alcoholic beverage or controlled substance.
- Sells, gives, possesses, or distributes tobacco products.
- Possession, control or actual or threatened use of a real, look-alike, or pretend weapon.
- Explosive or flammable liquids, powders, or materials.
- Sale, control, delivery, transfer or distribution of a drug or controlled substance.
- Assaults a member of the school staff or other individual or student.

The principal may suspend a student for a period not to exceed 10 days. Serious violations of the Safe School Policy will result in a referral to the superintendent, with a recommendation that the suspension exceed 10 days. Any suspension of a student with a disability for more than 10 days constitutes a change in placement and requires action by the Special Education Committee. If the suspension involves a student who brought a real, look-

alike, or pretend firearm, explosive or flammable material, the student will be referred to the superintendent and Board of Education for a possible expulsion of up to one year. The principal shall immediately provide notice to the student's parent or guardian regarding any violation of the Safe School Policy.

Sexual Harassment Policy

This is a summary. The complete policy is available in the school office.

The district and school encourage all victims and persons with knowledge of sexual harassment to report the harassment immediately. All complainants have the right to be free from retaliation of any kind. The school and district will promptly investigate all formal, informal, verbal and written complaints of sexual harassment and take prompt corrective action to end the harassment.

Sexual harassment means unwelcome sexual advances, requests for sexual favors, other physical or verbal conduct or communications of a sexual nature, and any other gender based harassment, whether initiated by students, school employees or visitors. Students are encouraged to tell the harasser to stop the conduct because it is unwelcome.

The principal will conduct a review when she receives a verbal or written complaint of sexual harassment or if she observes sexual harassment. Any individual who violates this policy will be subject to appropriate disciplinary action under applicable school discipline policies and the Kane District Safe School Policy. An individual who violates this policy may be subject to suspension, exclusion, probation, termination, or alternative placement. In addition, students who violate this policy may lose the privilege of participating in extra-curricular activities. Anything involving sexual assault, rape, or any other activity of a criminal nature will be reported to appropriate law enforcement authorities.

Students served under IDEA, Section 504, of the Americans with Disabilities Act shall have no disciplinary action, change of placement, or other steps taken without convening a multi-disciplinary team to determine the extent to which the harassing behavior is a manifestation of the student's disability.

False, malicious or frivolous complaints of sexual harassment shall result in corrective or disciplinary action taken against the complainant.

Discrimination

No person in the United States shall, on the grounds of race, color, national origin, disability, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. If you have any concerns or questions, please contact the KCSD Federal Programs Director, April Riddle, at (435)644-2555 or Principal Braxton Bateman at (435)644-5800.

Child Find

In accordance with Part B requirements of the Individuals with Disabilities Education Act and with the Utah State Board of Education Special Education Rules, Kane County School District offers free assessments and evaluation for children, aged birth through 21 who parents, teachers, or others suspect of having a disability.

Kane School District is committed to ensuring that those students are identified, located, and evaluated, regardless of the severity of the disability, to identify if the student is in need of special education and related services. This child find requirement and practice also applies to those students enrolled in private schools.

If you suspect that a child who is not receiving special education services is in need of an evaluation to determine if that need exists, please contact April Riddle, Kane District Federal Programs Director at 435-644-2555 or the special education teacher at your neighborhood school.

Periodic drills take place at school to prepare students and staff for emergency situations.

We encourage our students and staff to report unusual behavior. This may include threats, discussions of weapons, talk of suicide, drug or alcohol use, or explosive materials. Strict confidentiality in reporting is enforced. Safe UT App can be used for this purpose.

In all emergency situations, school staff is trained to determine the best course of action for the protection of students. Not all emergency situations allow us to follow a specific set of steps, but rather force us to use intuition and follow instincts based on safety training.

There are concealed weapons permit carriers on staff at Kanab Middle School.

Kanab Middle School staff will adhere to all district policies and district level safety and emergency preparedness plans.

Fire/Evacuation Drills are the most common. When the fire alarm sounds, students should exit the building according to the classroom evacuation plan. If a student is in the restroom, he/she should exit the building through the nearest exit and report to the nearest teacher.

Lockdown Drills are issued when students must be secured in their location. A “Lockdown! Locks, Lights, Out of Sight” intercom alert is issued. Teachers lock their classroom doors and secure their students until an “All Clear” is issued. If a student is in the restroom during a Lockdown Drill, he/she should remain in the restroom until the all clear signal is given or until directed by school or police personnel.

In an Earthquake Drill, students should quickly move to a place that offers protection for their head and as much of their body as possible. There is a danger of heavy objects falling in the classroom, so students should be observant and move away from dangerous spots. There is a danger of power lines breaking and dropping on students who are outside. Faculty members and students should take precautions to stay away from falling objects. School officials will coordinate efforts and departure procedures with district and community emergency agencies and directors.

Dear KMS Parents/Guardians:

Should an emergency or disaster situation ever arise in our area while school is in session, we want you to be aware that the schools have made preparations to respond effectively to such situations. In fact, public schools in Utah are built to meet stringent construction standards and they may be safer than your own home in the event of a disaster.

Should we have a major disaster during school hours, your student will be cared for at our school. The Kane School District has a detailed disaster plan that has been formulated to respond to a major catastrophe. Your cooperation is necessary in any emergency. In the event of a serious emergency, students will be kept at school until parents are notified of pick up procedures. Students will be released only to parents and persons identified on the school enrollment card.

Please DO NOT call the school. Telephone lines will be needed for emergency communications. You will receive notification through Blackboard/Parentlink. This Internet based system will send emergency notification to every parent/guardian within minutes. Messages will be sent by telephone, cell phone, e-mail, pager and PDA in any combination. This is why it is very important that you make sure contact information is up-to-date on registration day and that you inform the secretaries any time there is a change. Thanks for helping us in this effort.

Sincerely,

Equal Educational Opportunities

Dear Parent:

A school bus is the safest means of transportation available. School transportation personnel have earned this safety record because of a sincere regard for the safety of their passengers. To maintain and improve this record, all efforts are made at state and federal levels to find ways to improve school bus safety standards. You can help us immeasurably in our efforts by becoming aware of bus safety rules and making sure your children understand them.

Included is a copy of our bus rules, which come to us from State Law and Regulations by the local Board of Education. Since a very high percentage of our school children are bus riders and some of them must travel long distances, it is imperative for their safety and comfort that they understand and follow these rules.

Will you please read and explain each rule with your student, so they may have a complete understanding of what is expected of them.

Vandalism has increased to the point that we have installed video cameras on the buses. If your child misbehaves or is responsible for vandalism on the bus, you will be called in for a conference with the student and the principal. Students found responsible for destruction of school property will be asked to reimburse the District for the cost of the damages and may be expelled from school and from riding the bus.

Please help your child's bus driver successfully perform his or her highly responsible task.

RULES OF CONDUCT FOR SCHOOL BUS RIDERS

The students on the bus are under the immediate supervision of the bus driver and are thus subject to the rules set by the School Board and the State. Any infraction of these rules by a student is to be documented on a Bus Conduct Report concerning the disciplinary infraction with copies distributed to the principal, the parents, and kept on record by the transportation department.

The safety of the bus passenger is the most important part of school bus transportation. Efficient and effective use of school buses is another important factor of the school transportation system.

In order to provide safety to passengers and effective use of buses, the following rules are established to regulate conduct of school bus passengers.

1. Stand in an orderly single file line at pick-up points until the bus comes to a complete halt.
2. Enter the bus in an orderly fashion and go directly to your assigned seat.
3. All passengers must be seated while the bus is in motion.
4. At your stop, remain in your seat until the bus has fully stopped. Then enter the aisle and go directly to the front exit door.

Loud talking, use of profanity, fighting, throwing things, smoking, damaging the bus or bus seats, standing, eating or drinking, are examples of activities that draw attention of the bus driver from his/her main task of safe operation of the bus. Such actions, or any other distracting action by the riders, create a safety hazard by demanding unnecessary attention of the driver and are forms of misconduct. Misconduct at bus stops is also considered a violation and shall be cause for disciplinary action.

When a rider is guilty of misconduct on the bus or at the bus stop, it will be reported to the principal of his/her school. Parent will be held responsible for any bus damage that may result from the student's misconduct. Misconduct may be cause to deny the privilege of transportation to the student. The following procedures will be taken by school administration. Misconduct citations will be issued as follows:

1 st Offense:	Student given a verbal warning (bus driver).
2 nd Offense/1 st Citation:	Student/Parent given a written warning (bus driver, school administration and parents).
3 rd Offense/2 nd Citation:	Student/Parent given a written warning. Student denied bus privilege for 3 days. A parent conference is required before student can return to the bus.
4 th Offense/3 rd Citation:	Student given a written warning. Bus privileges denied for 10 days. A parent conference is required before student can return to bus.
5 th Offense/4 th Citation:	Transportation privilege denied for the remainder of the school year (school administration and school board).

Offenses such as smoking, drugs, weapons, damaging the bus, or harming another student will be handled as 3rd citation level on the 1st offense. Violation of the law will be reported to the sheriff's office for investigation and prosecution.

Parents are to contact the school to schedule an appointment with the administration and the bus driver. The student will also attend. Parents are always encouraged to schedule an appointment anytime they have a concern.

The Utah State Office of Education provides in lieu of transportation funding to School Districts for reimbursing parents or guardians for the transportation of their child to and from school if no bus service is provided. In order for bus service to be provided there has to be a minimum of 10 or more students.

The following are the **State Guidelines for bus transportation of students** to and from school:

1. **Elementary (Grades K-6): Pupils who live one and one-half miles or more** from the school that the local board of education has assigned them to attend.
2. **Secondary (Grades 7-12): Pupils who live two miles or more** from the school that the local board of education has assigned them to attend.
3. **Pupils with disabilities whose IEP requires transportation are eligible regardless of distance** from the school.
4. It is the aim of the State Office of Education, in keeping with the "Inclusion" concept, to arrange transportation for the student, with disabilities as closely as possible to that of the student without disabilities. Whenever possible, students with disabilities will ride with students without disabilities on regular routes.
5. Students who attend school for at least one-half day at an alternate location as assigned by the local board of education may be expected to walk reasonable distances between schools.

These payments are disbursed to parents or guardians twice a year in February and July. Payments are based on 35 cents per round trip mile for the number of days your child attends school during the school year. If you drive in a car pool transporting your child, you are reimbursed only for the miles per day that you drive in the car pool.

If you feel you are eligible for this in lieu of transportation reimbursement, please advise the secretary at the school so she can provide days of attendance for your child to the School District Office for the disbursement of funds. If you drive in a car pool keep track of the days that you drive and turn the information in monthly to the school secretary.

We are making notification of this in lieu of transportation payment to all parents and guardians of students, as we do not want to overlook someone that should be receiving this reimbursement.

KMS Positive Behavior Plan

Focus

In order to address future student use of tobacco, alcohol, electronic cigarette products, and other controlled substances, Kanab Middle School will address peer pressure, mental health, and meaningful relationships. KMS will accomplish this by placing focus on and implementing positive behavioral interventions and supports, restorative practices, trauma-sensitive practices, and social-emotional learning.

Important: Discipline is about teaching, not about punishment

School Discipline is designed first and foremost to keep school a safe place emotionally, socially and physically. Discipline should also be an instructive support system that allows students to learn why certain behaviors are inappropriate and to learn and practice positive replacement behaviors. Ideally, it helps students accept responsibility for their misbehavior and repair any damage done to their school relationships as a result of their bad choices. Just as in real life, there are often consequences to misbehavior and those too are designed to be a learning experience that repairs relationships. Quite often when we hurt others and damage our relationships, it is not possible to completely repair the situation and thus other consequences are required to ensure we have done everything we can to right our wrongs.

We appreciate your support as a parent or guardian of a Kanab Middle School student to help us accomplish this goal. We have a school-wide positive behavioral intervention and support system with multiple tiers of support to encourage positive behavior and to support students struggling with behavior problems.

RESTORATIVE PRACTICES

We strongly believe that school discipline should focus on teaching rather than focus on punishment. When appropriate and as often as possible, we strive to have students reflect on their behavior and come up with a plan to right the wrong. Restorative practices are used here at Kanab Middle School to help resolve conflict between students and to prevent future harm. Restorative practices give those harmed an opportunity to let those responsible know how it has affected them. In turn, those responsible for the harm are able to reflect on the situation and make plans to make it right.

The following are questions that are typically used when implementing restorative practices:

Restorative Questions I (to respond to challenging behavior):

- What happened?
- What were you thinking at the time?
- What have you thought about since?
- Who has been affected by what you have done? In what way?
- What do you think you need to do to make it right?

Restorative Questions II (to help those harmed by others' actions):

- What did you think when you realized what had happened?
- What impact has this incident had on you and others?
- What has been the hardest thing for you?
- What do you think needs to happen to make it right?

ABIDE BY THE “BIG SIX” EXPECTATIONS OF KMS

We believe that our students are very responsible and disciplined. Procedures are in place when students fail to comply with school expectations and management procedures. If these rules are violated, consequences will follow. Parents are contacted and if needed, the local police and/or other district and community resources will become involved.

1. **Fighting, harassment, bullying and intimidation** are strictly forbidden. These acts will result in a detention and may include one to five days of placement in either in-school or out-of-school suspension.
2. **Disrespect, insubordination and lack of diligence** to an administrator, teacher, staff member, other student(s) or guest are not acceptable. These acts will result in out-of-school or in-school suspension and/or detention and a parent conference.
3. **Attendance** is very important. An unexcused absence is a violation of state laws. Students who are chronically absent from school will, with their parents, be referred to the Juvenile Court System and/or the Division of Family Services for educational neglect.
4. **Theft** is a crime against both individuals and society. Acts of theft will be referred to the school principal, local law enforcement, and juvenile court authorities. The school may assign the violator in-school or out-of-school suspension and/or detention.
5. **Possession, use, and/or distribution of illegal drugs or substances, tobacco or vaping devices, or alcohol** are strictly forbidden at KMS and its surrounding premises. Parents will be notified, and violators will immediately be referred to the school principal. The school will strictly adhere to the district drug, alcohol, and illegal substance policy.
6. **Vandalizing school property** is not acceptable and will not be tolerated. Full restitution will be required of those students who commit this offense. Parents will be contacted and possible referral to the local police department will be made. In-school or out-of-school suspension may also be used. Rewards may be offered to those who can assist in identifying those students who have vandalized the school in any way.
